Outstandingly preserved Bakelite factory siren

€125 + tax

This 220V siren is made out of black Bakelite. The lid and the horn can be unscrewed. Two holes for mounting on walls and ceilings are provided. The sound can be described as earsplitting and penetrating! The siren could be used for instance to upgrade an alarm system or simply as decoration.

Dimensions:

34.5 x 12.5 cm (13.6" x 5")
