Article-ID RHL1/B

“Roman helmet” light

€695 + tax

Two different types of this helmet lamp were produced featuring either an enamelled or a painted shade. Since the paintwork had been almost completely worn away, we’ve had some of these lamps sandblasted, brushed and nickel-plated. Two pieces are currently available nickel-plated, but we have many more in their original condition in stock.

Dimensions:

height: 58cm (23")
