White enamelled reflector with cast-iron dome | Small

€280 + tax

Unusual hanging lamp supposedly used in large kitchens or abattoirs. Cable guides and hanging design echo early Hungarian production. Cast-iron dome with E27 bulb application. Professionally restored to former glory. This lamp is available in two diameter sizes (36 cm and 41 cm) and in your own cord color and length! Please feel free to [contact us](#).

[Stasi Clock - Small reconditioned steel square clock with grey hammertone finish](#)
