Article-ID EXH3A/R

Large conical caged lamp | Red powder-coated

€380 + tax

This is the largest and heaviest version of this design ever produced. Although extremely robust, it boasts a simple yet elegant design. By request we can deliver a version without protective cage (EXH3AC/R). These lights were used at power stations, tank farms and mines. To recondition these lamps, the body has been red powder-coated and the cage newly chrome-plated. Comes with ceramic E27 socket. Large quantities are available! Please note: You can order your own cord color and length! Please feel free to [contact us](#).

Dimensions:

50 x 30 x 30 cm | 19.7" x 11.8" x 11.8"
