Article-ID EXH3A/P

Large re-polished conical caged lamp

€380 + tax

This is the largest and heaviest version of this design ever produced. Although extremely robust, it boasts a simple yet elegant design. By request we can deliver a version without protective cage (EXH3AC/P). These lights were used at power stations, tank farms and mines. To recondition these lamps, the body and cage have been finely sandblasted and re-polished. Comes with ceramic E27 socket.
Please note: You can order your own cord color and length! Please feel free to contact us.

Dimensions:
50 x 30 x 30 cm | 19.7″ x 11.8″ x 11.8″
