Strand stage spotlight on vintage tripod

€850 + tax

Stunning vintage Strand spotlight in great condition. This theatrical spotlight was made in the 1950s or 1960s by Strand Electric, a company established in London in 1914. Noted for their high standards of quality coupled with a simple design, they are enhanced by their exquisite appearance straight out of the sixties! The vintage stand is height adjustable. The electrics have been reconditioned. The lamp has been newly rewired. It's fitted with a dimmer and a bayonet light bulb.

Dimensions:

height-adjustable from 98 cm (38.6") to 215 cm (84.6")
