Hospital stools | height-adjustable

€200 + tax

These charming hospital stools date back to the 1940s or 1950s, and we stock a number of very similar designs. In each case the steel frame has been sandblasted, brushed and waxed, while the beechwood seat has been oiled.

What's more, the height can be adjusted between about 48cm and 56cm.

For further information or if you have any questions please do not hesitate to [contact us](#).
