€950 + tax

This waterproof light is made out of aluminium, steel and glass. Designed for use in the food industry, laboratories and hospitals etc, only small batches were produced in the 1950s and 1960s. We have managed to salvage a small quantity of these stunning, extremely rare light fittings. The aluminium has been polished and the electrics replaced.

Dimensions:

height: 102cm (40,2")

width: 23cm (9")

depth: 20cm (7,9")
