Industrial steel pipe table

€3500 + tax

This sturdy table has been assembled using steel pipes, which are connected by cast-iron ball elements. The antique hardwood tabletop was used around 1890 in a former cotton mill in Crimmitschau in the district of Zwickau. The plate has been sanded and oiled. Height adjustable from 74cm (29,1") to 86cm (33,9"). Please note that the table can be customized. For further information or if you have any questions please do not hesitate to contact us.

Dimensions:

width: 280cm (110,2") depth: 88cm (34,6")

height: adjustable from 74cm (29,1") to 86cm (33,9")

Availability: on request
