Article-ID Doctor

Doctor Wood

€380 + tax

This expressive wig stand was made out of solid wood in around 1880. It even contains the suggestion of facial features to make it more lifelike! Doctor Wood comes wearing an ophthalmic headband mirror from around 1930 produced in a very elaborate design by the firm Aesculap.

Dimensions:

height: 25,5cm (10")

diameter of the mirror: 8,2cm (3,2")

Availability:
